About Event

👋 We're thrilled to invite you to the first AGI Builders meetup on the leap day of 2024, February 29th.

❤️ It's a gathering where AI builders, researchers and enthusiasts share ideas, inspire peers and transform the future.

💡 Participants can expect engaging tech talks covering the latest challenges and advancements in AI.

🍕 Light refreshments will be available.

Agenda:

- 5:30pm – 6:00pm: Doors open and check-in.

- 6:00pm – 6:10pm: Opening
- 6:10pm – 6:40pm: Phoney AI
    - by Craig Dennis, Developer Educator AI, Cloudflare
- 6:40pm – 7:10pm: RAG as a service with BentoML
    - by Chaoyu Yang, Founder & CEO, BentoML
- 7:10pm – 7:40pm: Enterprise Retrieval – Augmented Generation with LlamaIndex
    - by Laurie Voss, VP Developer Relations, LlamaIndex
- 7:40pm – 8:00pm: Networking

About the hosts:

Cloudflare helps organizations make employees, applications and networks faster & more secure.

BentoML empowers developers to run any AI models in the cloud and scale with confidence.

Note:

- This event will be held in person, and due to limited capacity, registration is required for entry. Registration will close 2 days before the event.
- We host monthly meetups in San Francisco, have an idea you'd like to present at future events? Please apply here.
